BLOWING IN THE WIND

Congratulations to Alona Shultz, who graduated from Cameron Elementary last year. Her artwork, "Some Nights," has been selected to be printed on official City of Burnaby banners. This prestigious honour has been bestowed to three young community artists who participated in 2012 and 2013 in Burnaby Art Gallery's Arts Alive exhibition, a showcase of work by district students. Alona was the only elementary school student whose artwork was selected. The banners, graced with her beautiful artwork, should be blowing in the wind sometime soon – watch for them!
