

On behalf of the Board, I am delighted to welcome our students, parents, teachers and

Launching this fall is a blended learning initiative for our adult students in the award winning Language Instruction for Newcomers to Canada (LINC) program. It will include the addition of online learning to enhance and support class based instruction.

This report is a fraction of the extraordinary things taking place throughout our District that support the learning taking place in our school communities, yet they clearly reflect that it is a team effort to make it all happen.

Education is everyone's business, and supportive relationships we have with our partner groups - parents, teachers, students, support staff and administrators as well as our community partners. For it is through a colla [ET(S))(4) f.98 Tf(ent)7(5)(9)(su
