Three-Year District Calendar

The attached draft three-year calendar was made public on December 2, 2019. It was posted on the district website and information was distributed via district newsletter. An opportunity was provided for feedback from December 2, 2019 to January 8, 2020. It is now being brought forward for formal board approval. The proposed calendar aligns with other metro districts.

This evening, Roberto Bombelli, Assistant Superintendent, will present an overview of the proposed calendar.

Recommendation: THAT the Board of Education receive this information and approve the adoption of the Three-Year District Calendar, as presented.
