1. Student Safety Youth Summits

As the Burnaby School District continues its journey to support an equitable, diverse and inclusive environment for all, voices of students, staff, parents and community partners are integral to building on successes, addressing concerns, creating actionable strategies and making necessary change.

In May and June of the 2020-2021 school year, the school district's Safe and Caring Schools Team invited students to share their thoughts and feelings about safety at school. The hope was to meaningfully engage with youth to listen and learn about
